Chair Update:

No update re: OA Sonoma County Intergroup merger

No Vice Chair

No Secretary for update

Communications Secretary-Laura

San Quentin therapist received literature and sent me an invoice, which I forwarded to Aida for reimbursement (5/19/24). I'm now reimbursed

I texted someone calling into website to let her know an insurance certificate is available and gave her contact info for a fellow willing to talk with her about possibility of starting a new meeting in the County

Asked Mary H to change the meeting number to the new one assigned by [oa.org](#) when registering the Mon 6pm meeting and Wednesday 6pm meetings as permanently on-line. I noted to the groups the links that enable them to make changes in future. Apart from a confusion about the contact person for the Wednesday meeting, which Nan is going to straighten out, our meetings in Marin County are all in good shape on the two websites. And I have instructions for how to make updates ourselves. I will include them with my notes for the next Corresponding Secretary.

I emailed Lorie at WSO to ask whether it's required to have a name and personal contact number for meetings on each meeting listing. It's not. We can use the # connected with our website and the email associated with the website. I emailed this info to the IG on 5/29/24
