Re: 7th Tradition

Dear Fellows,

As we go into another month of online meetings, the OA Marin Intergroup have considered how you can practice the Seventh Tradition. To facilitate this, we suggest you might do so in one of the following ways:

1. Simply sock away your funds until your face-to-face meetings resume. As meetings are unable to purchase literature or need to pay rent for now, financial need is probably nonexistent, however, when the meeting resumes, your host site may need to collect in arrears and you'll want to give to intergroup who is paying for the Zoom account currently in use.
2. You can use the DONATE button on the OAMarin.org website. Send a portion of your donation to IG, and we'll divide it and send it to Region 2 and World Service as usual. Set a separate amount aside for your meeting, as needed.
- 3..Similarly, you can simply "snail" mail donations to Intergroup at OA Marin County Intergroup, PO Box 4292, San Rafael 94913.
4. And, as every meeting is autonomous, you are welcome to set up your own method to collect seventh tradition. Your meeting treasurer will still have to disburse the funds per your group conscience.

In fellowship—Rosie K.
